the Maharaja of Mysore, B a n g a l o r e.

SIR,

I have the honour to state that the Medical Officer of Health has to go to Bethamangala once a week for bringing samples of Tank water for examination and analysis in the Laboratory. Bethamangala being beyond jurisdiction of the Sanitary Board, the travelling ~~allowance~~ allowance for these journeys was being passed by the Sanitary Board at their meetings till the 16th February 1923 according to actual precedent. To avpid delay in payment of these charges the Board at their meeting on 16/2/1923 authorised the President to pass such bills for journeys not exceeding 4 in a month.

2. The Local Auditors from the Comptroller's Office, while auditing the accounts of this office, for the year 1926-27 have taken objection to this on the ground that sanction of Government is necessary for journeys beyond jurisdiction. I therefore request that you will be so good as to obtain the approval of Government for confirming the practice and procedure sanctioned by the Board in the year 1923 and to kindly advide the Comptroller to withdraw the objection.

3. Copy of the Board's Resolution together with copy of objection statement No.52 is herewith submitted.

I have the honour to be,
S i r,
Your most obedient servant,

FOR PRESIDENT,
